To whom it may concern,

ALL COAT PAINTERS LIMITED

In my capacity as a high quality residential building contractor I have found Kim Hobson at All Coat Painters Limited to be not only a quality and professional operator but also a great source of information and knowledge.

I have no hesitation in recommending Kim and his team to undertake any type of work in the scope of All Coat painters Limited.

I continue to use All Coat Painters Limited to this day.

Yours faithfully
Form Concepts Limited
